

Student Instructions for Planning Austin and Non-UTMB Courses

Use for all courses in Austin and any other course not sponsored by a UTMB department

This packet includes

B-1 Form	Authorization of Information Release
B-2 Form	Acceptance Verification for Non-UTMB Courses
C Form	http://meded.utmb.edu/electives.asp
R Form	Used to request approval for all Research electives – must be submitted online

Step 1

You must complete the **B-1 Form** in this packet and submit it to the Office of Enrollment Services. This form authorizes the Registrar to send information about you to the host school/preceptor. The Registrar will also send the host school/preceptor a **B-2 Form**, which asks them to verify you have been accepted by them to take the requested course. Please note that B-1 and B-2 forms *do not* need to be submitted for UTMB-sponsored courses in Austin. In these cases, please submit an **Austin Course Application** located at: <http://meded.utmb.edu/orme/AustinInformation.htm>.

Cautions

(1) *Because some schools require extended time to process your paperwork, and may require an affiliation agreement be established with UTMB, you should plan non-UTMB electives at least several months in advance. You should complete a **B-1 Form** even if you are not yet certain you have been accepted/approved by the host school/preceptor.*

(2) *The **B-1 Form** serves only as a Release of Information request and does not register you for a course. Registration for academic credit requires the host school/preceptor to return the **B-2 Form** sent to them by the Registrar verifying you have been accepted for the course. Schools and preceptors are instructed to return the **B-2 Form** directly to the Registrar. Should you receive this authorization yourself, you should forward it immediately to the Registrar. It is your responsibility to verify that the **B-2 Form** has been received by the Registrar.*

Step 2

Once accepted by the host school/preceptor, you are responsible for completing the attached **C Form** to officially register for the course. If planning a Research elective, you must complete an online **R Form** at least 30 days in advance and submit it for approval (<http://meded.utmb.edu/electives.asp>). After approval, you must then complete and submit a **C Form** to register for the Research elective.

Caution

*You will not receive credit for the course unless you have registered electronically or properly completed and submitted a **C Form**, including any required approval signatures, to the UTMB Registrar prior to beginning the course. The regular add/drop deadline is approximately 4 weeks prior to the start of a course (see below). The final deadline for electronic registration (add or drop) or receipt of a properly completed and signed C Form by the Registrar is 5:00 PM on the last business day (typically Friday) prior to the start date of the course. The deadline for ACS courses is 60 days in advance. This deadline is absolute and no exceptions are made. Failure to meet this deadline for any reason will result in your not receiving credit for the course. When using a **C Form**, submit it yourself, in person, well before the deadline to avoid disappointment. Faculty from whom you may need approval signatures may not be available at the last minute.*

Important Reminder About Adding and Dropping Courses

Deadline dates for dropping and adding courses are shown below, and on the back of the C Form used to add and drop courses. These deadlines refer to receipt of a properly completed form in the Office of Enrollment Services with all approval signatures. Note that the add-drop deadlines are approximately 4 weeks prior to the start of each period. Changes after the add-drop deadline require the course director's approval signature.

NOTE THAT COURSES CANNOT BE ADDED OR DROPPED LATER THAN 5:00 PM ON THE FRIDAY PRIOR TO THE START OF A PERIOD. This requirement is absolute and no exceptions are made, even with course director approval. Failure to properly add a course prior to the deadline means you cannot register for, and cannot receive credit for, the course. Failure to properly drop a course prior to this deadline means you must complete the course or you will receive a failing grade for the course. The deadline for ACS courses is 60 days in advance. This deadline is absolute and no exceptions are made. Failure to meet this deadline for any reason will result in your not receiving credit for the course.

- ◆ Anticipate deadlines and do not wait until the final days to make course changes, because faculty may not be immediately available to provide approval and/or signatures.
- ◆ When registering with a C Form, always deliver the C Form to the Office of Enrollment Services personally, or confirm its receipt. Do not rely on others to complete this task for you.
- ◆ When delivering a C Form to the Office of Enrollment Services, always obtain a date-stamped copy of your C Form before leaving.
- ◆ Confirm your course schedule through UTMB E-Connect before leaving for a non-UTMB elective.
