Name (print): _____

Cell phone or Pager #: _____

I request assignment to Austin for all Year 3 clerkships between June 29, 2009 and June 25, 2010. I understand that:

1. This offer is limited to students expected to begin Year 3 clerkships on time on June 29, 2009. Students whose entry to Year 3 is delayed are not eligible for year-round assignment to Austin clerkships.
2. This request applies only to assignments during the 2009-10 academic year. No guarantees concerning assignments after June 25, 2010 are implied by this application.
3. Prior to beginning Year 3 clerkship rotations, all students participate in a clinical skills week June 22-26, 2009 in Galveston. Austin-based students will complete these activities by Wednesday June 24, be able to relocate to Austin Thursday June 25 and will have an orientation on-site in Austin Friday June 26.
4. Austin assignments include hospital-based and community office-based assignments in Austin and surrounding communities. Students in Austin will need reliable transportation for travel between hospital and community-based assignments.
5. No reimbursement will be made to students in Austin for food, routine travel between Austin and Galveston, local transportation, or other expenses.
6. I agree to provide my own housing in Austin at my own expense from June 29, 2009 to June 25, 2010. The School of Medicine will offer me a travel stipend to assist with expenses for required return visits to Galveston for examinations.
